Application Requirements

At the time of their application, applicants for a DLR-DAAD Fellowship must

- be able to prove their outstanding study or research achievements,
- **Type A:** have completed their studies or research with a university degree
- Type B:** have completed their studies with a doctorate/PhD/ Candidate (Russia),
- Type C:** applicants must be working in higher education or at a research institute; positions are open to outstandingly-qualified academics and scientists who should generally hold a doctorate/ Ph.D.
- have an excellent knowledge of English, please provide evidence of this through the submission of appropriate language certificates (e.g. TOEFL: 550/217); a knowledge of German is advantageous,
- in general not be older than 32 years (Type A) or have completed their doctorate in the last two years (Type B) or assessed individually according to prerequisites (Type C).

Special note for applicants from the field of medicine: A university degree is considered equivalent to the German medical practice licence, the Approbation – that is proof of at least seven years of medical training and the licence to practice medicine in the home country.

DLR – DAAD - Research Fellowships

'DLR – DAAD Research Fellowships' is a new programme implemented by the 'Deutsches Zentrum für Luft- und Raumfahrt' (DLR) and the 'Deutscher Akademischer Austauschdienst' (DAAD).

DLR is Germany's national research center for aeronautics and space. Its extensive research and development work in Aeronautics, Space, Transportation and Energy is integrated into national and international cooperative ventures. As Germany's space agency, DLR has been given responsibility for the forward planning and the implementation of the German space programme by the German federal government as well as for the international representation of German interests. Approximately 5,700 people are employed in DLR's 29 institutes and facilities at thirteen locations in Germany.

This special programme is intended for highly-qualified foreign doctoral and postdoctoral students as well as senior scientists. DLR-DAAD Fellowships offer outstanding scientists and researchers the opportunity to conduct special research at the institutes of the DLR in Germany.

DLR-DAAD Fellowships are defined and awarded on an individual basis. Each Fellowship announcement will indicate the specific qualification requirements and terms of the visit. The current offers are published under www.daad.de/dlr on the DAAD homepage.

Fellowships are always awarded for the length of the research stay in Germany. The host DLR Institute and the fellowship candidate will agree upon the length of this term.

Type	Target Group	Fellowship Goal	Funding Duration	Monthly Instalment	Possible Additional Payments
A	Doctoral Students	Doctorate in Germany	36 months	1000,00 Euros	e.g. flat-rate travel allowance, health insurance, family allowances
B	Postdoctoral Students	Research in Germany	6 to 24 months	1.840,00 Euros	none
C	Senior Scientists	Research in Germany	1 to 3 months	2.240,00 Euros	none
